

If I were...

... an actor I would be the hero.

... a clock I would be frozen.

... a pet I would be an eagle.

... a brand I would be Gucci.

... a country I would be Portugal.

... a fish I would be a shark.

... a clown I would be a baddie.

... a phone I would be fast.

... a pen I would be a fountain pen.

... an old monument I would be the statue of liberty.
